Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am a 63 year old woman who
has tried several different kinds of HRT.
Until I found a pharmacy that compounded
their prescriptions for the individual I suffered
greatly from menopausal symptoms and side
effects from the drugs. I need a prescription
that is not a one-size-fits
all. I oppose the draft M.O.U. being
proposed by the FDA.
